**THINKING
SPACE.**

SPACE TO GROW.

Fitted and Cat A+ spaces are available in a range of sizes to suit a range of occupiers.*

The second floor suite of Building 2000 offers a rare opportunity to take a small fitted suite (furniture to be installed).

The second floor of Building 1000 offers an occupier a bespoke opportunity to finalise the Cat A finishes and the ability to combine Cat A and Cat B works for maximum savings both for sustainability and cost efficiency. The floor can be let as a whole, or divided into two suites.

The first floor of Building 1000 is available with existing fit out and partitioning, or can be refurbished to suit tenant needs.

*Subject to client requirements and cost.

A group of people, including a woman in the foreground with blonde hair and a patterned shawl, are looking towards a large screen. The screen displays a bright, fiery space exploration scene, possibly a rocket launch or a celestial event. The text "SPACE TO EXPLORE." is overlaid on the right side of the image, enclosed in a white bracket-like frame.

LOCATION

PERFECTLY
PLACED.

The building is situated adjacent to the University of Surrey just north of Guildford town centre – benefiting from its proximity to the A3 as well as Guildford train station.

The building is strategically placed along the A3, making the M25 easily accessible for journeys into London, or around Surrey. Guildford train Station offers speedy connections to London Waterloo, as well as Reading and Gatwick Airport.

Just a short cycle will bring you to the town centre, which hosts an excellent range of bars, cafés and restaurants, as well as riverside activities and bustling retail centres.
